Rate conditions

• Rates are indicative for Jaipur projects as of 1 November 2026. GST, transport outside the core service area, debris disposal beyond standard quantity and society charges are extra.

• Running-foot kitchen rates generally cover cabinet carcass, standard laminate shutters and basic hardware; countertop, sink, faucet, appliances and premium accessories are excluded.

• Do not mix units: wardrobe rate is based on front elevation area, while false-ceiling rate is based on ceiling area.
