Aarohan Build & Interiors

Warranty, Defects & After-Sales Support

Knowledge Base Document 08 | Version 1.0 | Effective 1 November 2026

Warranty coverage

• Modular kitchen and wardrobe installation workmanship: 12 months from handover.

• Company-installed electrical and plumbing workmanship: 6 months from handover, excluding consumables and third-party equipment.

• Hardware and branded products carry the manufacturer warranty, if any, under the manufacturer's terms and proof of purchase.

Exclusions

• Damage from misuse, water leakage from external sources, pest infestation, building movement, unauthorised repairs, normal wear and tear, and customer-supplied products are excluded.

• Warranty does not cover shade variation in natural materials or minor seasonal movement within accepted material tolerances.

Warranty, Defects & After-Sales Support — continued

Service request process

• Send project ID, photos/video, issue description and preferred visit slot to support@aarohanbuild.example or call +91 90000 12345.

• Support acknowledges a request within 2 business days. Site inspection timing depends on location and technician availability.

• Emergency safety issues such as active electrical sparking or major water leakage should be isolated safely and handled by a qualified local professional immediately.
