Payment Terms, Variations & Cancellation

Knowledge Base Document 09 | Version 1.0 | Effective 1 November 2026

Payment milestones

Milestone	Payment share
Booking and design initiation	10%
Design freeze and procurement release	40%
Mid-execution milestone	30%
Pre-handover after major installation	15%
Final handover and snag closure	5%

Commercial terms

• Payments are due against milestone invoices. Procurement begins after the relevant milestone payment and approved material schedule.

• Any work outside the signed BOQ requires a written variation order with price and schedule impact approved by the customer.

• Cancellation before procurement: design/measurement charges and committed expenses may be deducted. After procurement starts, non-returnable material and completed work are payable.

Taxes and refunds

• GST is additional where applicable and will be shown on the invoice. Refund timing depends on supplier recovery and reconciliation of completed work/committed costs.

• Never assure a full refund without checking purchase orders, work completed and the signed agreement.
