Aarohan Build & Interiors

Past Project Case Study: 2BHK Apartment

Knowledge Base Document 12 | Version 1.0 | Effective 1 November 2026

Project snapshot

• Fictional project: 2BHK apartment, Vaishali Nagar, Jaipur. Carpet area: 1,000 sq. ft. Customer budget: approximately ■15 lakh.

• Scope: modular kitchen, two wardrobes, TV unit, living-room ceiling, selected electrical upgrades and painting touch-ups.

• Selected package: Comfort, with a few separately priced upgrades.

Past Project Case Study: 2BHK Apartment — continued

Execution and outcome

• Timeline: 10 weeks from design freeze to handover. One week was added after the customer changed wardrobe internal layouts.

• Final billed value: ■16.2 lakh before applicable taxes. The difference from the initial budget was driven by quartz countertop upgrade, additional drawers and extra electrical points.

• Learning: explain exclusions and variation approvals early; package rate is not a fixed all-inclusive price.
